Plaintiff,

vs.

TENT RESTAURANT OPERATIONS, INC.,

Defendant.

CASE NO:

1:09-cv-315  
DEPT. CLERK  
COLLIER/CARTER

**COMPLAINT**

Plaintiff, Willard Brooks ("Plaintiff") by and through the undersigned counsel, hereby files this Complaint and sues Tent Restaurant Operations, Inc., for injunctive relief, attorney's fees and costs pursuant to 42 U.S.C. §12181 *et seq.*, ("Americans With Disabilities Act" or "ADA") and allege:

**JURISDICTION AND PARTIES**

1. This is an action for declaratory and injunctive relief pursuant to Title III of the Americans With Disabilities Act, 42 U.S.C. §12181 *et seq.*, (hereinafter referred to as the "ADA"). This Court is vested with original jurisdiction under 28 U.S.C. Sections 1331 and 1343.

2. Venue is proper in this Court, the Eastern District of Tennessee pursuant to 28 U.S.C. §1391 (B) and Local Rules of the United States District Court for the Eastern District of Tennessee.

3. Plaintiff, Willard Brooks (hereinafter referred to as "Brooks"), is a resident of the State of Alabama and is a qualified individual with a disability under the ADA. Mr. Brooks is a resident of Huntsville, Alabama and frequently travels to Chattanooga, Tennessee. Brooks suffers

from what constitutes a "qualified disability" under the Americans With Disabilities Act of 1990, ("ADA") and all other applicable Federal statutes and regulations to the extent that he requires a wheelchair for mobility and has limited use of his upper extremities. Prior to instituting the instant action, Brooks visited the Defendant's premises at issue in this matter, and was denied full, safe and equal access to the subject property of Defendant due to its lack of compliance with the ADA. Brooks continues to desire and intends to visit the Defendant's premises but continues to be denied full, safe and equal access due to the barriers to access that continue to exist.

4. The Defendant, Tent Restaurant Operations, Inc., is a foreign corporation registered to do business and, in fact, conducting business in the State of Tennessee. Upon information and belief, Tent Restaurant Operations, Inc. (hereinafter referred to as "Tent Restaurant") is the owner, lessee and/or operator of the real property and improvements that is the subject of this action, specifically the Fox & Hound Restaurant located at 2040 Hampton Boulevard, Suite 150, Chattanooga Tennessee (hereinafter referred to as the "Restaurant").

5. All events giving rise to this lawsuit occurred in the Eastern District of Tennessee.

#### **COUNT I - VIOLATION OF THE ADA**

6. On or about July 26, 1990, Congress enacted the Americans With Disabilities Act ("ADA"), 42 U.S.C. §12101 *et seq.* Commercial enterprises were provided one and a half years from enactment of the statute to implement its requirements. The effective date of Title III of the ADA was January 26, 1992. 42 U.S.C. §12181; 20 C.F.R. §36.508 (A).

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the Restaurant owned by Tent Restaurant is a place of public accommodation in that it is a restaurant operated by a private entity that provides goods and services to the public.

8. Defendant Tent Restaurant has discriminated and continues to discriminate against the Plaintiff, and others who are similarly situated, by denying access to, and full, safe and equal enjoyment of goods, services, facilities, privileges, advantages and/or accommodations at the Restaurant in derogation of 42 U.S.C §12101 *et seq.*

9. Brooks has been unable to and continues to be unable to enjoy access to, and the benefits of the services offered at the Restaurant owned by Tent Restaurant. Prior to the filing of this lawsuit, Brooks visited the Restaurant at issue in this lawsuit and was denied access to the benefits, accommodations and services of the Defendant's premises and therefore suffered an injury in fact. In addition, Brooks continues to desire and intends to visit the Restaurant, but continues to be injured in that he is unable to and continues to be discriminated against due to the barriers to access which remain at the Restaurant in violation of the ADA. Brooks has now and continues to have reasonable grounds for believing that he has been and will be discriminated against because of the Defendant's continuing deliberate and knowing violations of the ADA.

10. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General, promulgated Federal Regulations to implement the requirements of the ADA 28 C.F.R. Part 36.

11. Tent Restaurant is in violation of 42 U.S.C. §12181 *et seq.* and 28 C.F.R. §36.302 *et seq.* and is discriminating against the Plaintiff as a result of *inter alia*, the following specific violations:

- (i) Accessible parking is not provided on the closest accessible route;
- (ii) Some accessible parking spaces contain steep running slopes;
- (iii) The sidewalk leading to the front entrance contains a severe cross slope;
- (iv) A level landing is not provided at the front entrance;

- (v) Accessible seating is not provided in the outside dining area;
- (vi) The bar is too high;
- (vii) Accessible seating is not provided in the bar area;
- (viii) Accessible seating is not provided in the main dining area of the restaurant;
- (ix) Mats located throughout the restaurant are not firmly attached;
- (x) Accessible signage is not properly located at men's room;
- (xi) The men's toilet room entry door is too heavy;
- (xii) The pipes located beneath the accessible lavatory in the men's toilet room are not properly insulated;

12. There are other current barriers to access and violations of the ADA at the Restaurant owned and operated by Tent Restaurant that were not specifically identified herein as the Plaintiff is not required to engage in a futile gesture pursuant to 28 C.F.R. Part 36, §36.501 and, as such, only once a full inspection is performed by Plaintiff or Plaintiff's representatives can all said violations be identified.

13. To date, the barriers to access and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

14. Pursuant to the ADA, 42 U.S.C. §12101 *et seq.* and 28 C.F.R. §36.304, Tent Restaurant was required to make its Restaurant, a place of public accommodation, accessible to persons with disabilities by January 28, 1992. To date, Tent Restaurant has failed to comply with this mandate.

15. Plaintiff has been obligated to retain undersigned counsel for the filing and prosecution of this action. Plaintiff is entitled to have his reasonable attorney's fees, costs and expenses paid by Tent Restaurant pursuant to 42 U.S.C. §12205.

16. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant Plaintiff injunctive relief, including an Order to alter the subject facilities to make them readily accessible to, and useable by, individuals with disabilities to the extent required by the ADA, and closing the subject facilities until the requisite modifications are completed.

WHEREFORE, the Plaintiff demands judgment against Tent Restaurant Operation, Inc. and requests the following injunctive and declaratory relief:

- A. That the Court declare that the property owned and administered by Defendant is violative of the ADA;
- B. That the Court enter an Order directing Defendant to alter its facilities to make them accessible to and useable by individuals with disabilities to the full extent required by Title III of the ADA;
- C. That the Court enter an Order directing Defendant to evaluate and neutralize its policies and procedures towards persons with disabilities for such reasonable time so as to allow them to undertake and complete corrective procedures;
- D. That the Court award reasonable attorney's fees, costs (including expert fees) and other expenses of suit, to the Plaintiff; and
- E. That the Court award such other and further relief as it deems necessary, just and proper.

Dated this 15<sup>th</sup> day of December 2009.

Respectfully submitted,

By:
